authorize Salud Mental journal, official publication of the Instituto Nacional de Psiquiatría Ramón de la Fuente Muñiz (National Institute of Psychiatry Ramón de la Fuente Muñiz), its use and reproduction.

Once the manuscript is accepted for publication, we authorize its printed and electronic reproduction without economic compensation and for unlimited time, in addition to the transference of the content to an externaldatabase. We hope that the free access politics of the publication should favor a greater diffusion of the article among the scientific community.

The authors declare having participated in the study and to be informed about the order of authorship indicated in the original manuscript. We also declare that we publicly take responsibility about it and approve its final version. We declare that we preserve the copyrights on the pre-print version of the document; nevertheless, the version post-print counts with rights tied to Salud Mental journal. Thus, we assure the Institute that there is no copyright conflict for using this work (Art. 84 LFDA).

The authors express that the submitted work is original, that the information (including tables, figures and photos) has not been published previously nor is it under consideration in another magazine, that it does not violate rights of authorship or property of third parties and that it respects the privacy of the participants of the study. We declare that the investigation protocols with human beings or animals have obtained the approval of the Scientific and Ethics Committees of the institutions where the study has been realized.
